## Power of Attorney

by

in the matter re:

pursuant to the following conditions:

1. for the representation in court and the conduct of court proceedings (among others pursuant to §§ 81seq. of the German Civil Code) including, but not limited to the filing and withdrawal of motions and cross claims;
2. for the filing of motions in divorce proceedings and proceedings in connection with divorce proceedings, for the closing of agreements regarding the consequences of a divorce as well as the filing of motions in order to obtain information regarding pensions as well as private provisions for old age;
3. for representation and defence in criminal court cases and cases of administrative fines (§§ 302, 374 of the German Code of Criminal Procedure), including the power of attorney to accept all notices, in particular (in case of absence) to represent pursuant to § 411 para. 2 of the German Code of Criminal Procedure), with express authorization also pursuant to §§ 233 para. 2, 234 of the German Code of Criminal Procedure as well as with express power of attorney for the receipt of notice to appear pursuant to § 145a para. 2 of the German Code of Criminal Procedure, to file any motions admissible according to the German Code of Criminal Procedure and of motions in respect to indemnification and forfeiture and pursuant to the German Act on the Compensation for Measures of Criminal Prosecution, in particular in the so-called *Betragsverfahren*;
4. for representation in other matters and proceedings and in out-of-court negotiations of all kind (in particular in cases of accidents for the assertion of claims against the tortfeasor, the registered keeper of a vehicle and his or her insurer);
5. for the creation and revocation/cancellation of contractual relationships and for the making and the receipt of unilateral declarations (e.g. termination notices) in connection with the matter described above.

This power of attorney is valid for all judicial authorities (i.e. first instance proceedings, appeal, judicial revision) and comprises also the accessory and consequential proceedings (e.g. arrest proceedings and summary proceedings, proceedings for the fixation of costs, compulsory execution proceedings, interventions, auctions, bankruptcy over the defendant's assets as well as the power to give and obtain notices in the matter, to transfer or convey, partially or on the whole, this power of attorney, to file or withdraw motions for legal remedies or to waive such legal remedies, to settle the court proceedings or the out-of-court negotiations through amicable settlement, waiver or acknowledgement, to receive monies, valuables or documents or other, in particular the matter in dispute and the monies to be reimbursed by the adversary, the court cashier or otherwise as well as to access records.
